Growing Aspiration – Shaping the Future

Striving for Excellence

1st October 2024

Dear families,

2S visit to Stepney City Farm - Friday 18th October 2024

This term in science we are exploring Living things and their habitats, we will be discovering which animal is suited to which habitat and why. We will also be exploring the offspring of different animals, comparing the young to the adult. I am pleased to inform you that as part of this science learning, your child will be visiting **Stepney Green Farm.** This visit will take place on the **Tuesday 15th October 2024.** Whilst there, the children will have the opportunity to see a range of animals and will use this opportunity to compare different habitats as well as making comparisons between the animals themselves.

We will leave school at approximately 9. 30 am and will return to school by 3.00pm. We will be travelling via public transport, the children should wear full school uniform, comfortable walking shoes and clothing appropriate to the weather.

The children will need to bring a healthy packed lunch with them on the day. If you would like the school to provide a packed lunch, please indicate on the slip below and select your sandwich option.

If you would like to volunteer to come with your child's class then please use the slip below to let us know. *Unfortunately, we are not able to guarantee you a place on the trip, however, we will do our very best to accommodate as many requests as possible.*

Please complete the slip below to enable your child to go on the visit and return it to your child's teacher, by **Friday 4th October 2024.**

Yours sincerely,
Mr S Bodom
