Growing Aspiration – Shaping the Future

Striving for Excellence…

16th October 2024

Dear Year 2 Families,

Next week as part of Year 2's DT learning, children will be creating their own healthy wraps.

On Tuesday 22nd October, the children will be tasting a variety of food where they will be encouraged to comment on the flavour and texture to decide what they will put in their wraps. On Thursday 24th October children will be using their designs to make their wraps using their chosen ingredients.

The children will taste the ingredients below and may use them in their wraps

- avocado
- spring onion
- coriander
- parsley
- pepper
- cucumber
- cheddar cheese
- cream cheese

Please complete the following slip and return this to the office by Friday 18th October stating any allergies, if not already done so. Adjustments will be made to the recipes taking into account any allergies declared to ensure that all children participate in this lesson.

If you have any other questions or queries about this project, please speak to your child's class teacher.
Kind regards

Year 2 Team
