Growing Aspiration – Shaping the Future

Striving for Excellence…

15th October 2024

Dear families

As part of Years 2's unit about Habitats, the children have a fantastic opportunity to learn about living things and their habitats from a first-hand experience from a Wild Science workshop.

We have invited a company, Wild Science, to visit us on **Monday, 21st October at 2:00 PM**. They will be bringing in some animals for the children to observe, get close to, and even hold. This will be a wonderful opportunity for the children to ask questions and learn about the animals' habitats, hunting methods, and feeding

If your child has an allergy to fur /feathers, please complete the form below and return to the class teacher by Friday 18th October. Any medication required for this can be given on the day of the visit. We will ensure the children will thoroughly wash their hands after handling the animals

Kind regards

Mrs Rayet
EYFS/Science Lead

……

Childs name: …… Class: ……

I give permission for my child to participate in the "Wild Science" event on Monday 21st

Does your child have any allergies to fur or feathers? Yes ☐ No ☐

If yes, please specify: _____

Is medication required for the allergy: Yes ☐ No ☐

(A consent form will need to be complete if school has to administer any medicine for this visit)
